Appearance

Height: 5, 11
Playing age: 25 – 35
Appearance: White British
Location: Southery (Norfolk)

Objective

I've been into performing since I was an infant, and ever since I've been in numerous shows and productions, including choirs, pantomimes, musicals, concerts. I'm truly passionate of the arts and I've been described by friends and other artists I've worked with to be determined, kind, hard working and very reliable, I'm a man of multiple talents and would like to use them for my next big project.
