

About Me

Currently filming Vauxhall (codename) for Shondaland for Netflix - casting by Kelly Valentine-Hendry

Marrying humour and vulnerability is my happy place!

Trained Midwife. Country Girl at heart, warm but with a twinkle in my eye!
Taught bushcraft and archery and have milked a few cows in my time.

Nearly 20 years of stage experience with many lead roles under my belt and my strengths include impeccable comic timing, realism and ability to take direction.
