## ABOUT ME

I'm a self represented actor currently residing in Dublin, Ireland. I have been working in the industry since 2022. In 2020, I embarked on a QQI Level 6 in 'Performing Arts' in Colaiste Dhulaigh which I completed in 2022. While completing this course I also began my training in screen acting by enrolling in Bow Street Academy's 6 month part-time course. Both of these courses allowed me to gain knowledge and practice in both areas of performing arts both on screen and on stage. Since completing both courses I have been part of multiple independent productions and feel fully prepared to take the next step in my career.
