## About me

IMDb : https://www.imdb.com/name/nm5334819/ Fully Vaccinated .

Currently in post production for two Feature Films to be released later this year.

Review for previous role in feature film 'Fading Petals': "Specifically, Reidie and Revill are utterly magnificent and will blow the socks off everyone watching. Their chemistry is electric and their deep, occasionally heartwrenching, often just plain mean, conversations prove most engrossing. When Reidie and Revill are on screen together, the film is truly alive."

Identical twin.
