Ewan is a professionally trained actor with dual American and British citizenship, working across the UK and USA. He is based between Edinburgh, London, California, and the US East Coast, and is seeking opportunities in all locations.

He excels at balancing an intimidating presence with a hidden empathy. Ewan is typically cast as antiheroes or antagonists, bringing authority, restraint, and a grounded intensity to roles that require a strong on-screen presence. He is also a keen voice actor, with a smooth, baritone/bass range and a gentle Scottish accent.

Ewan is currently attending RAIS workshops in London, Longsword lessons in Edinburgh and enjoying restoring his car.
